

The MainStage Theater

Maximum Capacity: 220

Proscenium-Style Theater

Fixed, Comfortable Seating

Built-In Professional Sound System

Perfect View & Sound from Every Seat

Our MainStage theater is the heart of BlackRock. It is an intimate space that seats up to 220 on two different levels. Full lighting and sound capabilities allow us to create a professional and aesthetically pleasing performance. The MainStage is perfect for conferences or presentations as we also have projection capabilities.

"Performing at BlackRock is such a privilege. The staff was friendly and always willing to be flexible and accomodating, and the MainStage was a beautiful venue with fantastic acoustics that suited all of our different sounds and technological needs." - Katie Noble
